

FEATURED PRACTICE GROUP LEADER

Melissa Wrobel

Melissa is third from the left with her Kingsville Practice Group.

Kingsville, Ontario, Canada is on the Map!

We have many new Certified Practice Group Leaders! Master Lin's vision of "a healer in every home and a world without pain and suffering" is a huge vision and one that could not be achieved single-handedly by Master Lin.

Melissa Wrobel recently completed her certification as a Spring Forest Qigong Certified Practice Group Leader and immediately set out to start her practice group. On Monday, June 4th 2018 in Kingsville, Ontario, Canada a new practice group was born! Melissa has a massage therapy practice, so she knew some of her clients would come to practice and she has been pleasantly surprised to see that they are enjoying SFQ so much that they are now bringing their friends. We all know unconditional love is the main source of healing and Melissa is bringing her love to the party! Recently this new practice group celebrated a birthday with cake after the practice – who wouldn't love going to a practice group that serves cake?

Melissa shared with us recently, "One last thing I was not expecting, but am loving, is how much support I am getting from SFQ. You have been so amazingly helpful in making this very easy for me. I truly appreciate all the tools you have given me to have a successful group."

ATTENTION LOVE RADIATORS!
